

Recommendation Form

for the Doctoral Programme Quantitative Economics
at Kiel University

Remarks for the applicant

Please print and forward this form to your designated recommenders, or provide them the link of the download (<http://www.quantitative-economics.uni-kiel.de/en/application-and-scholarships>), and ask your recommenders to send the filled form directly to the Doctoral Programme. Upon receipt of your references a notification will be send to you by e-mail.

It is your responsibility to ensure that your recommenders send the recommendations before the application deadline of April 30.

Remarks for the recommender

The above mentioned student is applying for the Doctoral Programme Quantitative Economics at Kiel University (www.quantitative-economics.uni-kiel.de) and is asking you for a recommendation letter.

To facilitate the recommendation for you, we ask you kindly to fill out the following recommendation form, sign and stamp it. Either you can send it by postal services to the below mentioned address or as a scanned version to info.phd@economics.uni-kiel.de from an official e-mail account - others will not be accepted.

Your recommendation will be kept confidential; the applicant will only be informed upon receipt of the recommendation whether the application is now complete.

We thank you kindly for taking the time and your assistance in choosing the right candidates for our programme.

Please send the recommendation form before April 30 to:

Christian-Albrechts-Universität zu Kiel
Doctoral Programme Quantitative Economics
24098 Kiel
Germany

e-mail: info.phd@economics.uni-kiel.de
